9. With regards to your 5th steps:
 - Did it take more or less time than you thought it would?
 - What feelings surfaced? Relief -- Shame -- Guilt -- Remorse -- Anxiety -- Cautiousness -- Awareness -- Happiness -- Contentment -- Joy, etc...
 - Anyone feel short-changed?

- Did anything special or unusual happen?
- Did anyone find a special place for their hour of quiet time that they would like to share?
- Without revealing the questions or answers, would anyone like to share their feelings or any new awareness that they have now?
- Do you feel that you talked about everything you needed to?
- If anyone feels “unfinished,” please see one of us after the workshop

10. Talk about NOT being a victim anymore.

- Was everybody clear that they had a part in each resentment, fear or sex conduct and harm?
- Did it change how you feel to know that you had a part in them?
- Did you all see that you are not a victim anymore?

11. Moving on --- Big Book Reading (Steps 6 & 7, Page 76, Paragraph 1& 2)

If we can answer to our satisfaction, (referring to questions on bottom of page 75) we then look at Step six. We have emphasized willingness as being indispensable. Are we now ready to let God remove from us all the things which we have admitted are objectionable? Can He now take them all – every one? If we still cling to something we will not let go, we ask God to help us be willing. When ready, we say something like this; “My Creator, I am now willing that you should have all of me, good and bad. I pray that you now remove from me every single defect of character which stands in the way of my usefulness to you and my fellows. Grant me strength, as I go out from here, to do your bidding. Amen.” We have then completed Step 7.

12. Talk about being of service to God and people around us.

13. Big Book reading (page 76, paragraph 3)

Now we need more action, without which we find that “Faith without works is dead.” Let’s look at steps 8 and 9. We have a list of all persons we have harmed and to whom we are willing to make amends. We make it when we took inventory. We subjected ourselves to a drastic self-appraisal. Now we go out to our fellows and repair the damage done in the past. We attempt to sweep away the debris which has accumulated out of our effort to live on self-will and run the show ourselves. If we haven’t the will to do this, we ask until it comes. Remember it was agreed at the beginning we would go to any lengths for victory over alcohol.

14. Please take out the 8th Step list handout
